Thank you for your interest in the updated release of *Professional Corporations – The Secret to Success*. Please print off the order form on the second page of this document and fax it to our office.

Since the original book was published way back in 2004, there have been many changes in the financial industry that have a direct impact on your Professional Corporation. New rules and regulations have created even more opportunities for professionals to keep more of what they make.

The new version of *Professional Corporations - The Secret to Success* is larger, more in depth, and is the foremost resource for successful professionals.

New and expanded topics:

- When and how to reorganize your Professional Corporation.
- Students and new graduates.
- Adding a family trust.
- When to use a holding company.
- The new dividends – understanding eligible dividends.
- Increasing the income from your Professional Corporation while reducing your taxes.
- Tax-Free Savings Accounts – when not to use them.
- Divorce and separation.

The new edition also contains a preview of *The Financial Navigator - The Professional's Guide to Keeping More of What You Earn*, due to be released later in 2011. If you would like to pre-order this book, you can contact us and we will be glad to reserve a copy for you.

If you have any questions, comments, or would like to pre-order my new book, please contact us tollfree at 1-888-315-0058

Sincerely,
Tim Paziuk
